ONE FIELD

FIG. 21A

DRIVE MODE (B)

FIG. 21B

The diagram illustrates a selective writing field structure for Drive Mode (B). It shows two horizontal rows of rectangular blocks, each representing a field. The top row is labeled "SELECTIVE WRITING" and "ONE FIELD". The bottom row is labeled "DRIVE MODE (B)". The fields are grouped into sets labeled SF1 through SF8. Each set contains a sequence of blocks, some of which are shaded. The first set, SF1, contains blocks 1 and 6. The second set, SF2, contains blocks 16 and 24. The third set, SF3, contains block 35. The fourth set, SF4, contains block 46. The fifth set, SF5, contains block 57. The sixth set, SF6, contains block 70. The seventh set, SF7, contains block 40. The eighth set, SF8, contains block 37. Each block is connected to a vertical line labeled "Wc" and "Ic". The entire structure is enclosed in a frame with an arrow pointing to the right.
